### WALBRIDGE.

A fatal accident occurred on Sept. 6, when little Robert Webb, aged 12 years, son of John Webb, was run over by a dinky at Mohawk, W. Va. His right arm was cut off and right leg broken. The accident occurred about 2 o'clock in the evening, and at 4:20 the Angel of death visited the home and took this darling son and bore his spirit to a home in Heaven. He leaves a father and a stepmother, two sisters and one little brother to mourn his loss. We miss little Robert in our home. We can see a vacant spot. He was the idol of his father's heart, the pride of his life. He was a bright and intelligent boy, had a kind word and a loving smile for all whom he met. We miss little Robert, but our loss is his eternal gain. His remains were taken to Louisa for burial, where they were met by a host of friends and relatives, who mourned with us. Among the crowd was his aged grandfather, Robt. Webb.

Dearest Robert thou has left us never more this earth to roam, but in Heaven we hope to meet thee in that bright celestial home.

Written by one who loved him.

### IN MEMORY.

Lucinda Clarkson was born May 14, 1833, fell on sleep Sept. 18, 1913. Aged 80 yrs. 4 mo. and 4 days. She was the mother of eight children, four of whom preceded her to the other land. John, Frank, Archie and Mrs. Belle Harris, still remain on earth to mourn the loss of their aged mother. Mother Clarkson professed faith in Christ at the age of 16, joined the M. E. Church, retaining her membership until the time of her death.

Doubtless the Christ of youth and old age sustained her in the trying hour. Her ripe old age was evidence of God's promise. Remember thy creator in the days of thy youth.

Honor thy father and mother that thy days may be long upon the earth. It must be sweet to lay down in ripe old age and go to sleep in Jesus.

Truly mother rests from her labors and her works will follow her. May the blessings of God rest on the bereaved friends.

This should appeal to men that want to raise cattle, hogs, sheep, or any kind of stock, and the man that wants to garden, raise fruits or berries, etc., for the markets are excellent here. The market gardener heads the list, the dairyman next, the live stock man next, etc. I have farms suited for all purposes, many of them on the best pikes in the county, some on good roads, all handy to school and church. I get a good many questions asked me: "Are there any negroes in the school district near such a farm you have advertised?" I have no farms in negro settlements, so there are no mixed schools here. Many of the farms I have for sale are close to my own. You may find men that will tell you before you get to me that it is too far out. Don't stop. Come on. I can show you better.
